

## R-Clip Intern/Full-time Recruiting

Website: [www.r-clip.com](http://www.r-clip.com)

**R-Clip(Marketing Agency)** is a full-service visual marketing company, specializing in video and film production and digital advertisement for web-based social media platforms and TV. We work directly with brands and companies to deliver promotional videos, commercials, and branded contents.

Our strong understanding of audiovisual production and the art of film narrative enables us to provide our clients with unique content with creativity and authenticity. Whether it's the story of your brand, your company, your product, or you, it matters a great deal to us how your story unfolds on the screen and how it makes viewers feel.

In the world of digitized interconnections between brands and customers, R-Clip seeks to provide most honest but deliberate brand identities. We believe that both branding and marketing can be inspiring only when the true understanding of brand philosophies and target audience is embodied as a story.

We initiate every project with a comprehensive understanding of your goals, budgets, and time-frame requirement. We then collaborate with your team to develop a unique story, strategy, and a branded message that best suits your needs and conveys the inspirational vision of yours.

With a dynamic teams of production and marketing professionals, R-Clip is dedicated to consistently creating high-quality visual content from concept to delivery. We have the expertise and commitment for projects varying in scope, style, and purpose. We guarantee you the finest production of audiovisual content and branding strategies with our emphasis on pursuit of excellence, attention to detail, and commitment to client satisfaction.

Experience the difference. We look forward to working with you!
