소개

In June 2015, LIG Insurance Company Ltd. was acquired by the KB Financial Group Inc. and the company changed its name to KB Insurance Company Ltd. "LIS" remains the management company and the new name for the US operations is Kookmin Best Insurance Co. Ltd. US Branch or KBIC. Today, although the Korean-American business community remains an integral part of KBIC identity, we have developed into a dynamic organization serving the needs of mainstream business owners throughout CA, NJ and NY. Headquartered in Ridgefield Park, New Jersey, with a branch office in Glendale, California, we continue to grow and provide commercial insurance with a focus on small to mid-sized businesses.
